Morrison Moore Pedestrian Bridge & Sidewalk.

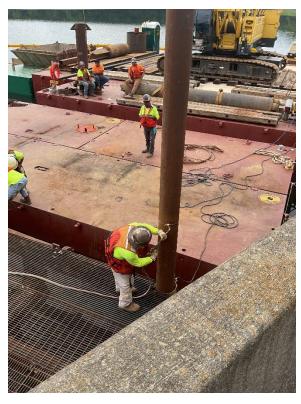

Memorial Park Cemetery lot layout. New lots have been preliminarily laid out and await installation of plot markers by volunteers with City staff guidance. Following this, staff will work with City legal counsel to determine following steps to prepare the plots for sale

and present to City Council.

- Golden Avenue storm drain. Coordination with neighboring property owners regarding necessary easements is ongoing. Georgia DOT is conducting the preliminary design of the Yahoola bridge near this location. Staff are also coordinating with them and a selected design firm to ensure a seamless transition between these two neighboring projects.
- Design and bid services for Phase 2 of the North Grove sidewalk project from Subway to Skyline Drive. Plan approved by GDOT 5/7/2025! Bids received and evaluated. A vendor selection package should be on its way to City Council in preparation for FY2026 Q1 Notice to Proceed.

Upcoming (these projects are currently either in concept, design or construction phase):

- Concrete work along Choice Street.
- Concrete work and resurfacing of Warwick Street between Park and Chestatee.
- Coordination with GDOT regarding Yahoola Bridge replacement, South Chestatee slope repair in multiple locations and the Auraria/Torrington intersection improvements.
